Two table-spoonfuls of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Prink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoctions as usually made.

An interesting letter is published in the Medleo-Chirurgical Review, on the subject of the Extract of Sarsaparilla in certain affections, by Benjamin Travers, F. R. S., &c. Speaking of those diseases, and diseases arising from the excess of mercury, he states that no remedy a equal to the Extract of Sarsaparilla; its power is extraordinary, more so than any other drug I am acquainted with. It is, in the strictest sense, with this invaluable attribute, that it is applicable to a state of the system so sunkan, and yet so irritable as renders other substances of the tonic class unavailable or injurious SKIN,

Helmbold's Concentrated Extract Sarsaparilla stablished upwards of 18 years. Prepared by H. T. HELMBOLD 594 Broadway, N. Y. A clear, smooth skin and beautiful complex ion follows the use of Helmbold's Concen-trated Extract Barsaparilla. It removes black spots, pimples and al-eruptions of the skin.

In the Spring months, the system naturally undergoes a change, and Heimbold's Concen-trated Extract of Sarsaparilla is an assistan-of the greatest value. BY R. J. SIMON. Our son from earth has passed away; His body now returns to clay. His welcome voice no more we'll hear; No more on earth will he us cheer His little feet that 'round us trod, Are decomposing 'neath the sod. Those beaming eyes impressed with lo Now gaze upon the things above. We mourn for him who's gone to rest;

Who reigns eternal with the blest.

May 11th, 1869. RIVET THE LAST PACIFIC RAI

Rivet the last Pacific rail,
With a silver hammer and golden nail;
For over the hill and over the vale,
The iron horse is coming.
Along the prairies wild flowers sweet,
With red lips kiss his flying feet,
With eagles his wild scream repeat:
His hymn of praise the bee is hummin
Hail to the day and deed!
Hail to the iron rail!
Hail to the west, all hail!

Hail to our free hands! Hail to the golden nail!

Over prairies of gold and green, Over rivers that roll between,— Plumed mountains of richest sheen, The steam horse toils harder and he Now scaring the wild herds and flocks w scaring the wild herds and flocks, w thundering over granite blocks, w climbing the steep shelving rocks Now up the Sierra Nevada. Hall to the plains below! Hall to the banner's stroke! Hall to the banner's stroke!
